SCARSDALE FALL LACROSSE LEAGUE

2009

PROGRAM: The league was designed to allow players to improve their game and stick skills in the off season. Players must have their own equipment, including a mouthpiece, in order to compete. Each age group will have an opportunity to use the field for 50 minutes. Two 25 minute running halves will be played. There will be a five minute break between each half. Players should arrive early in order to put their equipment on, stretch and be ready to go at their scheduled time. We look forward to seeing you on our state of the art turf field this fall.
